## Produktbeschreibung

A striking piece! The continuous backrest, elaborate upholstery in a sophisticated wickerwork look and slightly flared, slender legs give the Knot Rose armchair its charming, modern look in the trendy Fifties style. This designer chair will become a hero in your interior. As a dining room chair, in the office or as a side chair in the bedroom - the possibilities are infinite.

- An extraordinary gem in rose and velvet: ultra-comfortable armchair, extra stylish with a wickerwork backrest
- This fancy velvet chair looks particularly stylish in combination with marble, brass or black
- Thanks to the continuous arm and backrest you can also sit comfortably on this chair on long evenings around the dining table
- Modern upholstered chair with design borrowings from the trendy Fifties style
- The voluminous upholstery and legs in the colour brass bring a dash of glamour into the room
